Foreword

During the years, we have all experienced many delightful and disturbing events in the time we have spent at Cocalico. The 1970-1971 Yearbook Staff has captured these events in a pictorial yearbook.

The theme for this year's yearbook is "The togetherness of today's students leads to the unity of ages to come." We have found that the preparation of a yearbook is a group project. All members of the staff must work together to edit a successful yearbook. I would like to thank Cindy Cox, layout editor, Cindy Loose, photography editor, Linda Gehr, typing editor and Pat Stick, business manager for all their time and help in editing this yearbook. By working together, we have taken one step towards unity in years to come.

The preparation of this yearbook could not have been completed without the help of our advisors, Miss McVey and Mr. Brensinger, who contributed much of their time, ideas, and patience helping the yearbook staff create a yearbook that will bring back memories to all who open its cover. We would also like to thank Mr. Martin, our photographer, for supplying us with appealing snapshots of the happenings of the past year. Fellow students, administrators, patrons and yearbook subscribers can also be thanked for their support.

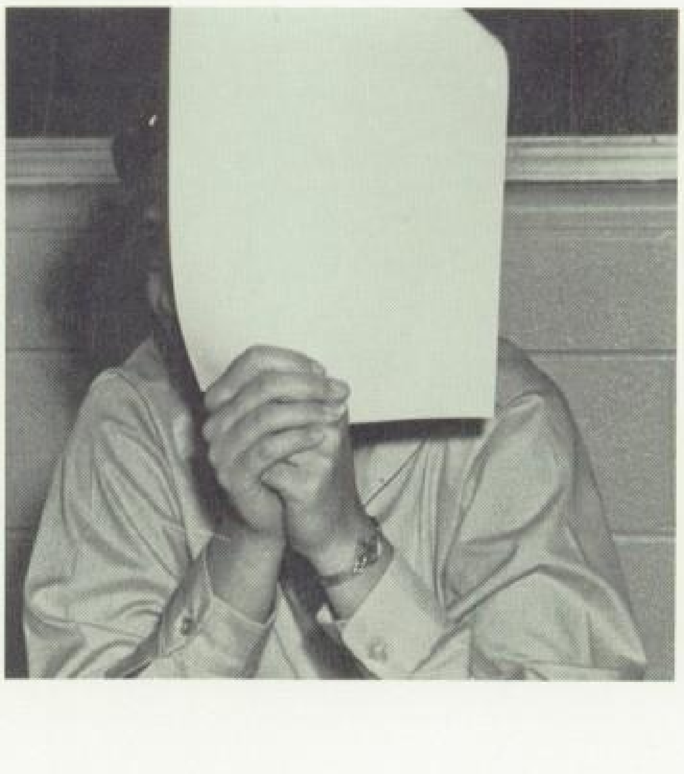

We hope everyone is satisfied with the yearbook and finds the important events in their lives at Cocalico pictured in the 1970-1971 Ko-Ka-Le-Ko.

FOREIGN EXCHANGE

Peter Kliemann

Leila Lucas, Pat Brumbach

Leila Lucas

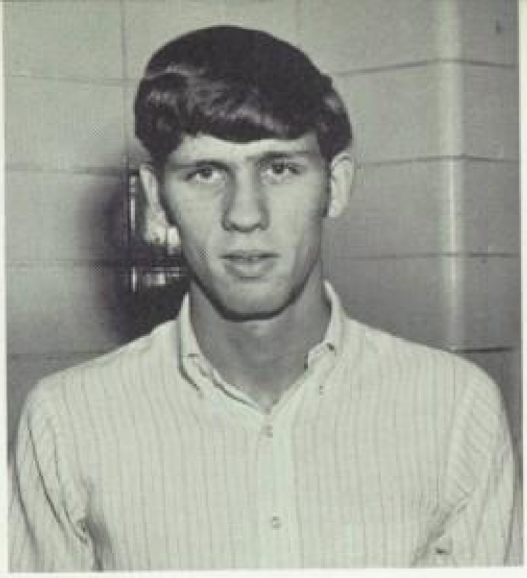

Leila Lucas

Three students were involved in the Foreign Exchange Program again this year. During the summer, Pat Brumbach represented Cocalico High School when she visited Bauru, Brazil, for three months. In connection with this program, Leila Fatima de Luca stayed with Mr. and Mrs. Irvin Brumbach, Pat's parents, from December to March. Leila, who is from Sorocaba, Brazil, is planning a career in medicine. Peter Kliemann, our foreign exchange student from Bamberg, Germany, resides with Mr. and Mrs. Joseph Nies. Peter arrived in America July 16 and is staying for a year. He would like to become a journalist or a psychologist. By participating in the foreign exchange program, it is hoped we will gain a better understanding of the cultures of other countries.

TIME TO BURY YOUR IDEALISM?

You've heard it before. When you are graduated, it's out of school and into reality. Time to make a living and forget about changing the world.

At New Holland, we don't feel that way. We feel that young men and women who did not bury their idealism were responsible for building this country in the past. And it will be the young men and women who do not forget their dreams of a better world who meet the challenges of tomorrow.

We have a good idea how you, today's young people, will respond to these challenges. We have faith that you will react with keen judgement and mature responsibility, blended with an idealism that is characteristic of your generation.

It is in this faith that New Holland and its employees offer heartiest congratulations to all members of the class of 1971.
